SHORTHORNS

B. F. HALES, Owner

Beginning at 1 P. M. Sharp

Announcement

To Shorthorn Breeders:

Mr. Hales has found it necessary to be relieved of many of his business responsibilities and to this end it becomes necessary to disperse his herd of Shorthorn cattle. This catalog gives the pedigrees of the lot of Shorthorn cattle, including imported, American bred, and cattle of our own breeding, for which no expense or detail of care has been spared to gather together or to produce. I will not attempt in this announcement to go into any lengthy description of the offering. The herd is in first-class condition, and as the Shorthorn public knows that many of the best of Great Britain and United States have found a place at Oakwood Farms. The cattle being dispersed at this time represent those left after a most rigid culling and we believe that every animal that will be offered is absolutely reliable.

Mr. Hales in offering this herd of Shorthorn cattle to the public feels the satisfaction at least of making it possible for Shorthorn breeders to acquire cattle for which he has not spared either pains and expense to gather together.

A cordial invitation is extended to all to be present at this sale, which will be held in the Dexter Pavilion, U. S. Yards, Chicago, on Tuesday, October 28th, 1 p. m.

Yours very truly,

WM. CRUICKSHANK.

Terms and Conditions of Sale

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. Notice of failure to breed must be given within six months. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers sold as a single lot guaranteed breeders, except calves sold by side of dam as one lot, and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of freight and maintenance in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the seller shall be given the option of refunding the purchase price without interest or of delivering a substitute as stipulated above.

   It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.

5. All animals are sold subject to a sixty-day retest for tuberculosis, or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by state veterinarian who is co-operating with Federal veterinarian and qualified to do accredited herd testing. Purchasing price to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.

6. Certificates of registry and transfer will be furnished with each lot sold.

   Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

7. **TERMS:** Cash or reasonable credit will be extended to any buyer who will satisfy seller as to reliability and who can make statement of worth that will justify credit.
